

# Tackling human fungal infections in Latin America

Attend the launch of the Centre for Medical Mycology Latin America (CMM LATAM) Unit and inaugural FAILSAFE network meeting in Sao Paulo, Brazil on 16 and 17 September 2024

This two day event will focus on tackling human fungal infections in Latin America through a series of scientific talks, industry R&D updates and networking opportunities offered by the FAILSAFE – Fungal AMR Innovations for LMICS: Solutions and Access For Everyone – Project and network.

**Visit our website for more information and to register now.**

For funding opportunities and to sign up to the FAILSAFE network please visit **[CMM-FAILSAFE.COM](https://CMM-FAILSAFE.COM)**
